

# BOARD OF SUPERVISORS

Brown County

305 E. WALNUT STREET  
P. O. BOX 23600  
GREEN BAY, WISCONSIN 54305-3600  
PHONE (920) 448-4015 FAX (920) 448-6221

## PUBLIC SAFETY COMMITTEE

Andy Nicholson, Chair  
Tom De Wane, Vice Chair  
Carole Andrews, Bill Clancy, Andy Williams

### PUBLIC SAFETY COMMITTEE

Thursday, March 5, 2009

Approximately 5:00 p.m.

Brown County Jail  
3030 Curry Lane

**\*\*Please Note Date, Starting Time and Location\*\***  
**Tour of Jail @ 4 p.m. Meeting to Follow**

- I. Call meeting to order.
  - II. Approve/modify agenda.
  - III. Approve/modify minutes of February 5, 2009.
1. Review minutes and reports of:
    - a. Criminal Justice Coordinating Board (1/27/09).

### Carry-overs

2. Public Safety Division 2008 to 2009 Carryover Funds.

### District Attorney

3. Monthly drug criminal complaint numbers.

### Emergency Management Office

4. Resolution re: Emergency Management Department Change to Table of Organization.

### Public Safety Communications

5. Initial Resolutions Authorizing the Issuance of Not to Exceed \$12,910,000 Corporate Purpose General Obligation Bonds of Brown County, Wisconsin in one or more series at one or more times.
  - a. Initial Resolution Authorizing General Obligation Bonds in an Amount Not to Exceed \$1,370,000.
  - b. Initial Resolution Authorizing General Obligation Bonds in an Amount Not to Exceed \$1,925,000.
6. Grant Application Review for FY 2009 EOC Grant Program.
7. Request for Budget Transfer (#09-09): Increase in Expenditures with Offsetting Increase in Revenue: Brown County Emergency Management has been awarded a FFY 2009 Hazardous Materials Emergency Preparedness (HMEP) Planning Sub-grant in the amount of \$4,800.00

- to complete a Highway 41 Reconstruction HazMat Response/Commodity Flow Response template.
8. Request for Budget Transfer (#09-10): Increase in Expenditures with Offsetting Increase in Revenue: Brown County Emergency Management has been awarded a FFY 2009 Hazardous Materials Emergency Preparedness (HMEP) Planning Sub-grant in the amount of \$5,700.00 to complete an All-Hazards Business Evacuation template.
  9. Director's report.

#### **Sheriff**

10. Resolution re: Change in Sheriff's Department Table of Organization – Add one Officer Position for Village of Suamico.
11. Resolution re: Support for Primary Enforcement of the Seatbelt Law. (Referred from February County Board.)
12. Request for Budget Transfer (#09-12): Increase in Expenditures with Offsetting Increase in Revenue: This budget transfer increases both revenues and expenditures to reflect participation in a Homeland Security grant passed through the Wisconsin Office of Justice Assistance. The grant provides \$56,465 with no local match requirement for the purpose of upgrading EOD robotic wireless equipment for the regional bomb squad. Note: this was previously addressed in budget transfers 08-62 and 08-76 in 2008 but delays in manufacturing have pushed this project into 2009.
13. Request for Budget Transfer (#09-13): Increase in Expenditures with Offsetting Increase in Revenue: This is a request to increase grant revenue and expenditures to participate in a second round of state funding of digital recording equipment for interrogation rooms to comply with Wisconsin Act 60 requirements for recording certain interviews in a digital format. Funding would permit the purchase of three more units to be located in the Jail Work Release area and in two of the police services contract municipalities.
14. Grant Application Review for Zero in Wisconsin.
15. Grant Application Review for Impaired Driving Enforcement (OWI).
16. Grant Application Review for HS Law Enforcement Specialty Team Equipment 2006.
17. Sheriff's report.

#### **Teen Court**

18. Teen Court Stats.

**Clerk of Courts** No agenda items.

**Circuit Courts** No agenda items.

**Medical Examiner** No agenda items.

#### **Other**

12. Audit of bills.
13. Such other matters as authorized by law.

Andy Nicholson, Chair

Notice is hereby given that action by the Committee may be taken on any of the items which are described or listed in this agenda.

Please take notice that it is possible additional members of the Board of Supervisors may attend this meeting, resulting in a majority or quorum of the Board of Supervisors. This may constitute a meeting of the Board of Supervisors for purposes of discussion and information gathering relative to this agenda.

Word97/agendas/pubsaf/March5\_2009.doc

**PROCEEDINGS OF THE BROWN COUNTY**  
**PUBLIC SAFETY COMMITTEE**

Pursuant to Section 19.84 Wis. Stats., a regular meeting of the **Brown County Public Safety Committee** was held on Wednesday, February 5, 2009 in Room 200 of the Northern Building – 305 East Walnut Street, Green Bay, WI

---

**Present:** Carole Andrews, Bill Clancy, Tom DeWane, Andy Nicholson,  
Andy Williams  
**Also Present:** Sheriff Dennis Kocken, Don Hein, John Zakowski, Susan Tilot,  
Jim Nickel, Supervisor Rich Langan, Lois Mischler, Jayme Sellen  
Other Interested Parties, Media

---

- I. **Call Meeting to Order:**  
The meeting was called to order by Chairman Andy Nicholson at 4:00 p.m.  
(Supervisors DeWane and Williams arrived 4:01 and 4:02)
- II **Approve/Modify Agenda:**  
  
**Motion made by Supervisor Andrews and seconded by Supervisor Clancy to approve. MOTION APPROVED UNANIMOUSLY**
- III. **Approve/Modify Minutes of January 7, 2009:**  
Error in approval of December Public Safety minutes - "Supervisor Andrews pointed out that at the January meeting of the *Public Safety Committee* (not Criminal Justice Coordinating Board), page 2, #5, 2<sup>nd</sup> sentence, that Supervisor Warpinski's name should be Supervisor Williams.  
  
**Motion made by Supervisor Andrews and seconded by Supervisor Clancy to approve. MOTION APPROVED UNANIMOUSLY**
1. **Review Minutes and Reports of:**
  - a. **Criminal Justice Coordinating Board (16/09):**
  - b. **Traffic Safety Commission (10/15/08)**
  - c. **Local Emergency Planning Committee – LEPC (9/9/08)**
  - d. **Fire Investigation Task Force (12/4/08)**
  - e. **Fire Investigation Task Force Board of Directors (11/20/08)**
  - f. **Circuit Courts security Committee (1/1/09)**

**Motion made by Supervisor Clancy and seconded by Supervisor DeWane to receive and place and place on file 1a, through 1f.**  
**MOTION APPROVED UNANIMOUSLY**

**Communications:**

2. **Communication from Supervisor Langan re: Request for Brown County to look into the problem of a situation occurring in our county called "Pharming". Would like a consideration for public service announcements to educate our adult population. (Referred from January County Board(:**

Supervisor Langan brought forward an issue that has arisen in the community referred to as "pharming". He explained that this term refers to access by teenagers to controlled substances (prescription drugs) found in and around their homes. Many times the drugs have been prescribed for surgical procedures to parents and grandparents and then are not taken. They are left in medicine cabinets, taken by teenage children and grandchildren or visitors to their home, and often not missed.

A letter from Attorney General, J.B. VanHollen, was distributed (attached). VanHollen states that to combat this trend, the Department of Justice has sponsored, along with the Wisconsin Broadcasters Association, a public education program designed to encourage parents and family members to secure their prescriptions.

Also present was Ann Tobias-Becker, School Social Worker/AODA Prevention Coordinator with the Green Bay Area Public School District. She distributed several handouts, one being "Teen Culture" The Lingo", explaining that the term "pharming" comes from the word pharmaceutical and means that teenagers are getting high by raiding their parents' medicine cabinets for prescription drugs.

Tobias-Becker explained that the Green Bay Area School District conducted a "climate survey" with the goal to monitor health-risk behaviors, first done at East High School in 2002 to address issues of school safety, tolerance, and diversity. In 2007 the survey added additional questions regarding gang related behaviors and student involvement with prescription drugs. This survey was administered to 1881 students in the four Green Bay area high schools during health and physical education classes. Results showed that 15% of students in the Green Bay system reported using someone else's medicine such as Oxycodone, Oxycontin, Hydrocodone, Vicodin, Ritalin, Adderal, and Dexadrene.

Also distributed by Ms. Tobias-Becker is information related to "what can you do?" Suggestions include safeguarding all drugs at home; to monitor quantities and control access; to set clear rules of teens about all drug use; to be a good role model; to properly conceal and dispose of old or unused medicines in the trash and to ask friends and family to safeguard their prescription drugs as well.

Pat Ryan of the Green Bay Area Drug Alliance and of the Liebertas Center distributed brochures, i.e., "The Buzz Takes Your Breath Away", "Preventing Teen Cough Medicine Abuse", and "Getting High on Prescription and Over-the-Counter Drugs is Dangerous". He indicated that the school system and the community are taking an "educational" approach of this fairly new practice in the area.

Suggested educational practices were discussed. Ms. Tobias-Becker stated that a DVD is available and is being shared with students in the school system through various presentations. It was suggested by Supervisor Williams that information be sent home to parents, especially at the start of school in the fall and Ms. Tobias Becker indicated that regular newsletters are also planned.

Sheriff Kocken pointed out that the Sheriff's Department collects old drugs two times a week, which are then destroyed by WPS. He also suggested that

various brochures be available at area pharmacies to educate the public on this issue. Additional discussion by the committee resulted in the suggestion that the matter be referred to Human Services.

**Motion made by Supervisor DeWane and seconded by Supervisor Andrews to refer to Human Services. MOTION APPROVED UNANIMOUSLY**

**3. Communication from Supervisor Johnson re: Request to determine the number of accidents in Brown County related to cell phone use. (Referred from December County Board):**

Supervisor Johnson was not present. Although a recommendation was made to hold until later in the meeting to see if she arrived, she did not, and a motion was made to receive.

Sheriff Kocken informed the committee that there is no tracking system of cell phone use at this time and that it is difficult to collect. He is aware, however, that phone use has caused accidents in Brown County.

**Motion made by Supervisor DeWane and seconded by Supervisor Clancy to receive and place on file. MOTION APPROVED UNANIMOUSLY**

**District Attorney:**

**4. Monthly Drug Criminal Complaint Numbers:**

District Attorney John Zakowski, along with Administrative Supervisor, Susan Tilot, addressed the committee with statistics relative to criminal complaints during the period of November through January (attached). Formal documents are available in the County Board office.

When asked by Chairman Nicholson regarding progress with backlog, Mr. Zakowski informed the committee that two-thirds of the backlog has been addressed. Supervisor Williams asked that instead of the present reporting system, that a list of new cases charged each month, in addition to dispositions be provided.

**Motion made by Supervisor Clancy and seconded by Supervisor DeWane to receive and place on file. MOTION APPROVED UNANIMOUSLY**

**Public Safety Communications:**

**5. Director's Report:**

Jim Nickel distributed a written report covering the last reporting period (attached). Highlighted were the following:

- **Advanced Wireless Services – T-Mobile** – AWS services will be implemented in January in Chicago and several Michigan markets using our 2 GHz microwave frequencies. This is the 4<sup>th</sup> carrier to utilize these channels. 2009 bonding funds have been requested to replace the 27 year old microwave system that connects radio sites to the Communications Center.

- **New Communications Center Project** – The project is on schedule. Meetings will be held this month to discuss the wiring of systems with vendors.
- **911 Console Furniture RFP** – Six RFP's have been received from vendors, which have been down-selected to two. Presentations are scheduled for the week of 2/16.
- **Telephone Lines** – Work continues with IS to change all administration and non-emergency numbers estimated at 100 lines that will have to be changed or moved.
- **PSC Advisory Meeting** – A meeting was held on 1/13/09 to discuss the preliminary cut-over plan to the new center with the Police and Fire stakeholders.

Also addressed in Mr. Nickel's report were 800 MHz rebanding, MABAS (Mutual Aid Box Alarm System), training, replacement of computer aided dispatch system, communications supervisors, and highway control station.  
(See attached report for details.)

In addition, graphs related to 2008-09 PSC 911 call volumes, PSC call volumes, incident counts for police, fire, and EMS agencies were reviewed and are attached.

**Motion made by Supervisor DeWane and seconded by Supervisor Andrews to receive and place on file. MOTION APPROVED UNANIMOUSLY**

- 5a. **Request for Budget Transfer (#08-94): Increase in Expenditures with Offsetting Increase in Revenue: Brown County Emergency Management has been awarded a FY 2006 OJA Homeland Security Grant in the amount of \$52,815.76 to purchase interoperable radio equipment for local agencies:**

**Motion made by Supervisor DeWane and seconded by Supervisor Andrews to approve. MOTION APPROVED UNANIMOUSLY**

**Sheriff:**

6. **Resolution re: Change in Sheriff's Department Table of Organization – Replace two Brown County Officer Positions with two contract positions:**

Sheriff Kocken explained that because the County Board has recognized the need to bolster efforts to fight illicit drug activity within the County and positions have been added to the Sheriff's Department's Drug Task Force budget for the calendar year 2009, the Sheriff has sought to increase participation in the Drug Task Force from other municipalities in Brown County, in addition to the officers provided by the Green Bay Police Department.

Because the Village of Ashwaubenon and the City of DePere have agreed to provide officers to the Force on a contractual basis beginning in March of 2009, the funding for the contracted positions will be offset by eliminating two of the County officers added in the 2009 budget. Therefore, Kocken requests that the Sheriff's Department Table of Organization be decreased by two Deputy Sheriff positions and that the 2009 budget be adjusted accordingly.

**Motion made by Supervisor DeWane and seconded by Supervisor Andrews to approve. MOTION APPROVED UNANIMOUSLY**

7. **Resolution re: Support for Primary Enforcement of the Seatbelt Law:**  
Sheriff Kocken explained that current law prohibits a law enforcement officer from stopping or inspecting a motor vehicle solely to determine compliance with seatbelt use. They can only issue a citation in conjunction with another violation. The Federal government has offered a monetary incentive for Wisconsin to enact legislation for primary enforcement of seatbelts by making a one time payment of \$15.2 million with bonuses up to \$2.1 million to be used for any federal aid eligible projects including highway construction if primary enforcement of seatbelts is enacted before July of 2009.

Kocken stated that statistics show that compliance with seatbelt use would result in 44 fewer fatalities, 650 fewer serious injuries, and avoid \$147 million in economic loss in Wisconsin. He has seen firsthand where the wearing of seatbelts saves lives. The Sheriff requested approval of this resolution which would request the State of Wisconsin to enact legislation giving law enforcement officers the authority of primary enforcement of the State's seatbelt law.

Supervisor Williams stated he would vote against the resolution, that he did not see the rationale for officers to stop a car to collect a \$10 ticket. In his opinion, there is an issue of probable cause.

Legislative Assistant, Jayme Sellen, pointed out that there has been legislation introduced to raise the fine to \$20. Supervisor Williams felt the fine should be more in the \$100 range.

Further discussion resulted in Supervisors Andrews and Clancy stating they would support the resolution. Williams, however, first requested that Sheriff Kocken work with Corporation Counsel's office to draw up an ordinance which would raise the penalty to \$100.

Chairman Nicholson dissented, stating in his opinion state statute was sufficient, that making seatbelt compliance a primary enforcement would put too much discretionary power in police hands.

**Motion made by Supervisor Clancy and seconded by Supervisor Williams to hold approval of the resolution and direct Sheriff Kocken to discuss the drafting of an ordinance raising the penalty regarding the seatbelt law with Corporation Counsel and report back at the March meeting.**

**Ayes: Andrews, Clancy, DeWane, Williams**

**Nays: Nicholson**

**MOTION APPROVED 4-1**

8. **Request to apply for Dive Team Equipment Grant:**  
Sheriff Kocken explained this is a non-competitive \$5,000 grant for the Sheriff's Department to acquire two dive masks which will facilitate communication between the divers and the officer in charge topside. Kocken requested approval to apply for the grant, which opens in February with OJA. There is no match required by the County.

**Motion made by Supervisor DeWane and seconded by Supervisor Andrews to approve. MOTION APPROVED UNANIMOUSLY**

**9. Request to apply for Dive Team Evidence Recovery Grant:**

This also is a non-competitive grant for the Sheriff's Department Dive Team to be certified in under water evidence recovery. It will also open in February with OJA and will require no match from the County.

**Motion made by Supervisor Clancy and seconded by Supervisor DeWane to approve. MOTION APPROVED UNANIMOUSLY**

**10. Sheriff's Report:**

Sheriff Kocken reported the following:

- Construction on the jail pod is progressing and will be re-opened by the end of February.
- WBAY will be making announcements regarding drug collections previously discussed above under item #2 (pharming).

A request at the January meeting for jail costs was addressed by Don Hein and a cost sheet distributed (attached). As it did not include costs for electronic monitoring, a request was made to put this item on the next agenda.

**Motion made by Supervisor Andrews and seconded by Supervisor Clancy to receive and place on file. MOTION APPROVED UNANIMOUSLY**

**Teen Court:**

**11. Teen Court Stats:**

Lois Mischler addressed the committee, distributing information relative to totals in 2007 and 2008 for:

- # of Court Cases
- # of Referrals
- Referral Sources
- Successful Completions
- # of Teen Volunteers Trained
- # of Teen Attorneys Trained
- Year to Date Defendant Service Hours
- Year to Date Total Teen Volunteer hours

Also included in her report was a summary of offenses in 2008. They included:

- After Hours in Park
- Criminal Damage
- Battery
- Disorderly Conduct
- Prohibited Activity in a Park
- Carrying a Concealed Weapon
- Criminal Trespassing
- Curfew
- Harassment
- Illegal Use of Fireworks
- Obstructing
- Prowling

- Retail Theft
- Theft

Chairman Nicholson and the committee expressed pleasure with the new reporting format. They asked for further information at the next meeting relative to numbers and details for the charges of harassment, carrying a concealed weapon, and battery charges.

**Motion made by Supervisor DeWane and seconded by Supervisor Andrews to receive and place on file. MOTION APPROVED UNANIMOUSLY**

**Clerk of Courts** No agenda items

**Circuit Courts** No agenda items

**Emergency Management Office** No agenda items

**Medical Examiner** No agenda items

***Budget Status Financial Reports for all departments not available for this meeting but will be available at the March Meeting. No Action***

**Other:**

**12. Audit of Bills:**

**Motion made by Supervisor Clancy and seconded by Supervisor DeWane to approve audit of bills. MOTION APPROVED UNANIMOUSLY**

**13. Such other Matters as Authorized by Law:**

Next Meeting:

Sheriff's Dept – Electronic Monitoring Costs

Teen Court – Details of Offense Summary Charges

**Motion made by Supervisor DeWane and seconded by Supervisor Andrews to adjourn at 5:35 p.m. MOTION APPROVED UNANIMOUSLY**

Respectfully submitted,

Rae G. Knippel  
Recording Secretary

**ATTORNEY GENERAL J.B. VAN HOLLEN RECOGNIZES**

**THREATS POSED BY UNSECURED CONTROLLED SUBSTANCES**

*"Sixty (60) percent of our teenagers, these are high school students, report they have access to controlled substances in and around their homes. None of us would drop our kids off at a "drug house" yet many of us do not safeguard our own prescription drugs."*

Local law enforcement officials know. Local school officials know. Parents need to know...safeguarding prescription drugs may save your child's life or that of another teen and will certainly make your schools safer.

The facts are staggering. Sixty percent of our teenagers, these are our high school students, report they have access to controlled substances in and around their homes. Two in ten, or twenty percent, have abused them to get high. While the statistics are staggering, the very real personal toll is life changing – from promise and hope to addiction or death. All the while, disturbing our classrooms and schools with trafficking of all forms in your prescription drugs... *yes, yours.*

Recently, in my law enforcement roundtables and conversations with local law enforcement and school administrators I was disturbed to learn about the evolving drug problem among our teenagers and in our schools. Marijuana still serves as an entry drug for many teenagers. Cocaine, ecstasy and the rising use of heroine have, appropriately, drawn attention of law enforcement at all levels. What's not new, but what is increasing at alarming levels all over the state is the use and trafficking of legally dispensed controlled substances coming out of our homes, into our schools, and destructively into the lives of our children.

Schools and classrooms are upset with the trade and sale of your drugs. These aren't brought up in the Mexican Drug Cartels and distributed by Criminal Illegal Aliens and Gangs...they come home in your amber plastic prescription bottles and go out in your child's pocket or backpack. They abuse, their friends abuse, and a deadly criminal enterprise is borne.

To combat this trend, the Department of Justice has sponsored, along with the Wisconsin Broadcasters Association, a public education program designed to encourage parents and family members to secure their prescriptions. Unlike illegal drugs, while controlled, these drugs are lawfully dispensed. Indeed, countless Americans benefit from the proper use of prescription drugs under the supervision of doctors.

But, when these unsecured prescription medications are made available to those other than for whom the prescription is written (itself a violation of the controlled substances act) the genie is out of the bottle. Addiction, hospitalization, and too often, overdose death follows.

While my staff and department officials continue to work with other state agencies and local law enforcement, including interested citizen groups, to find safe, effective, legal ways that are environmentally conscious to dispose of these controlled prescription drugs you can do one simple thing to stop this growing problem among teens and in our schools... secure your prescription medications today.

## TEEN CULTURE: THE LINGO

You may not know what pharming is, but your teenagers do. Your first step in helping protect your teens is to speak the same language. Knowing the vocabulary surrounding prescription drug abuse can help you take a proactive approach in communicating with your teen and safeguarding their health and safety.

### THE LANGUAGE OF PRESCRIPTION DRUG ABUSE

**Big boys, cotton, kicker** Various slang for prescription pain relievers.

**Chill pills, french fries, tranqs** Various slang for prescription sedatives and tranquilizers.

**Pharming** (pronounced "farming") From the word pharmaceutical. It means kids getting high by raiding their parents' medicine cabinets for prescription drugs.

**Pharm parties** Parties where teens bring prescription drugs from home, mix them together into a big bowl (see 'trail mix'), and grab a handful. Not surprisingly, pharm parties are usually arranged while parents are out.

**Pilz** (pronounced pills) A popular term used to describe prescription medications. Can also include over-the-counter medications.

**Recipe** Prescription drugs mixed with alcoholic or other beverages.

**Trail mix** A mixture of various prescription drugs, usually served in a big bag or bowl at pharm parties.

All learning. All growing.

## 2007 Green Bay Public Schools Youth Risk Behavior Survey

### Executive Summary

In 2007, the Green Bay Area Public School District (GBAPS) conducted a climate survey, which used a **modified** version of the Youth Risk Behavior Survey, as part of a national and state effort by the U.S. Center for Disease Control and Prevention to monitor health-risk behaviors of the nation's high school students. This report contains findings from the 2007 Green Bay Youth Risk Behavior Survey in 12 areas of concern: Alcohol, Other Drugs, Marijuana, Tobacco, Sad feelings and Suicide, Violence Related Behaviors, Tolerance and Diversity, Attendance, Gangs, and Sexual Behaviors.

The Department of Public Instruction has administered the Youth Risk Behavior Survey (YRBS) statewide every two years since 1993. The Green Bay School District piloted the online survey at one high school in 2004, and began conducting a high school district-wide modified version of the DPI survey in March 2005. The GBAPS YRBS was modified to include questions from the East High Climate Survey, created by a team of professionals at Green Bay East High School in 2002 to address issues of school safety, tolerance and diversity. The Green Bay School Resource Officers for the 2007 survey added additional questions regarding gang related behaviors. Based on recently identified concerns, questions were also added to reflect student involvement with prescription drugs.

The 2007 Green Bay Youth Risk Behavior Survey was administered online to 1881 students in the four high schools, during health and physical education classes. The survey results are representative of ninth through twelfth grade public high school students in the Green Bay Area Public School District. In this report, the 2007 GBAPS YRBS results were compared with the results of responses from the 2005 GBAPS survey when the questions were the same. Results were also compared with the Wisconsin 2007 YRBS results to reflect trends in Green Bay versus Wisconsin. The results of the Green Bay survey are used to predict areas of prevention and intervention for the use of district AODA funds and state and federal grant funds.

Survey procedures were designed to protect the privacy of students by allowing anonymous and voluntary participation. Local parent permission procedures were followed before administration, informing parents that their child's participation was voluntary.

Special thanks to all who played a part in the Green Bay Youth Risk Behavior Survey including the Green Bay Area Public School District Board of Education; Superintendent, Daniel Nerad, Assistant Superintendent, David Zadnik, Director of Student Services and Equity Coordinator, Barbara Dorff, Manager of School and Community Relations, Amanda Brooker, East High Climate Survey Team, high school administrators, AODA social workers and counselors, classroom teachers, clerical staff, students and parents.

*Please note that the attached pages are EXCERPTED from the complete Executive Summary for the 2/5/09 presentation, and represent only the "Other Drugs" pages of the original summary.*

## OTHER DRUGS

### GBAPS District Highlights 2007

- In 2007, 15% of GBAPS students reported using someone else's medicine such as Oxycodone, Oxycontin, Hydrocodone, or Vicodin to high one or more times during their lifetime as compared to the 2007 Wisconsin YRBS at 23%.
- Students who have used methamphetamines one or more times during their lifetime has decreased compared with 2005 GBAPS results; however, it remains elevated compared to the states results.
- Students who have used someone else's prescription drug, such as, Ritalin, Adderal, Dexadrene to get high 1 or more times during their lifetime has decreased to 15% in the 2007 GBAPS as compared to 17% in the 2005 GBAPS. The percentages between GBAPS high schools varied from 11% to 20% in the 2007 GBAPS survey.
- In 2007, 7% of GBAPS Students reported having used any form of cocaine one or more times in the past 30 days as compared to the 2007 Wisconsin YRBS at 3%. The percentages between GBAPS high schools varied from 7% to 15% in the 2007 GBAPS survey.

### Wisconsin Highlights 2007

- Starting in 2005, students were asked about methamphetamine use. In the past two years the percent of students who reported using methamphetamine at least once in their lifetime has decreased significantly (6% compared to 4%, respectively).
- Students who reported ever using an inhalant to get high decreased significantly from 16% in 1997 to 11% in 2007.

## WHAT CAN YOU DO? TIPS FOR PREVENTING RX ABUSE

Think about your home. What prescription and over-the-counter (OTC) drugs do you have? Where are they kept? Would you know if some were missing? The good news is that you can take steps immediately to limit access to these drugs and help keep your teen drug-free:

### #1 SAFEGUARD ALL DRUGS AT HOME. MONITOR QUANTITIES AND CONTROL ACCESS.

Take note of how many pills are in a bottle or pill packet, and keep track of refills. This goes for your own medication, as well as for your teen and other members of your household. If you find you have to refill medication more often than expected, there could be a real problem—someone may be taking your medication without your knowledge. If your teen has been prescribed a drug, be sure you control the medication, and monitor dosages and refills.

### #2 SET CLEAR RULES FOR TEENS ABOUT ALL DRUG USE, INCLUDING NOT SHARING MEDICINE AND ALWAYS FOLLOWING THE MEDICAL PROVIDER'S ADVICE AND DOSAGES.

Make sure your teen uses prescription drugs only as directed by a medical provider and follows instructions for OTC products carefully. This includes taking the proper dosage and not using with other substances without a medical provider's approval. Teens should never take prescription or OTC drugs with street drugs or alcohol. If you have any questions about how to take a drug, call your family physician or pharmacist.

### #3 BE A GOOD ROLE MODEL BY FOLLOWING THESE SAME RULES WITH YOUR OWN MEDICINES.

Examine your own behavior to ensure you set a good example. If you misuse your prescription drugs, such as share them with your kids, or abuse them, your teen will take notice. Avoid sharing your drugs and always follow your medical provider's instructions.

### #4 PROPERLY CONCEAL AND DISPOSE OF OLD OR UNUSED MEDICINES IN THE TRASH.

Unused prescription drugs should be hidden and thrown away in the trash. So that teens or others don't take them out of the trash, you can mix them with an undesirable substance (like used coffee grounds or kitty litter) and put the mixture in an empty can or bag. Unless the directions say otherwise, do NOT flush medications down the drain or toilet because the chemicals can pollute the water supply. Also, remove any personal, identifiable information from prescription bottles or pill packages before you throw them away.

### #5 ASK FRIENDS AND FAMILY TO SAFEGUARD THEIR PRESCRIPTION DRUGS AS WELL.

Make sure your friends and relatives, especially grandparents, know about the risks, too, and encourage them to regularly monitor their own medicine cabinets. If there are other households your teen has access to, talk to those families as well about the importance of safeguarding medications. If you don't know the parents of your child's friends, then make an effort to get to know them, and get on the same page about rules and expectations for use of all drugs, including alcohol and illicit drugs. Follow up with your teen's school administration to find out what they are doing to address issues of prescription and over-the-counter drug abuse in schools.

Talk to your teen about the dangers of abusing prescription and over-the-counter drugs. These are powerful drugs that, when abused, can be just as dangerous as street drugs. Tell your teen the risks far outweigh any "benefits."

To learn more about Rx & OTC health risks, visit [TheAntiDrug.com](http://TheAntiDrug.com)

## Why you should care

When taken properly and under a medical provider's supervision, prescription drugs can have many benefits. Unfortunately, many teens are abusing these drugs to get high or for other effects. Teens say they are abusing prescription and OTC drugs because they are easy to get and they think they are a safe way to get high.

Why should parents care about this?

### REASON #1

**More teens abuse prescription drugs than any illicit drug, except marijuana.<sup>1</sup>**

Many young people wrongly believe that prescription and OTC drugs are safe to abuse, when in fact they can be just as risky as street drugs, if taken improperly.

### REASON #2

**Prescription and OTC drugs are easily accessible.**

The vast majority of teens who abuse prescription drugs get them from friends and relatives. In fact, more than half of teens who abuse prescription painkillers say they get them from friends or relatives, for free.<sup>2</sup> Prescription and OTC drugs are easy to get at home, at a grandparent's house, and even at school.

The Internet can also supply teens with prescription or OTC drugs. There are hundreds of Web sites that illegally sell drugs without a prescription. There are also many Web sites that teach teens which drugs to use to get high, how much to take, or how to mix drugs for certain effects. Teens can then venture out to the local grocery or drugstore to buy cough and cold medications, and put the dangerous new information they've learned online to use - risking significant health consequences.

Find out more about where teens get prescription and OTC drugs and learn how to limit your teen's access to these drugs.

### REASON #3

**Many teens believe it is safe to abuse prescription and OTC drugs.**

About half of teens do not see great risk in abusing prescription drugs, and one-third of teens believe there is nothing wrong with using prescription drugs occasionally for non-medical reasons.<sup>3</sup> Teens don't understand that when abused, prescription and OTC drugs can be just as dangerous as street drugs.

### REASON #4

**Abuse of prescription drugs can be dangerous, even fatal.**

Abusing prescription drugs like painkillers, depressants, or stimulants, can have tragic consequences, from serious injury to death. These are powerful drugs that can have unpredictable effects when abused. Teens often take prescription drugs with street drugs or alcohol, which only adds to the dangers, like breathing problems, seizures, or heart failure.

### REASON #5

**Prescription drug abuse can limit your teen's potential.**

Prescription and OTC drug abuse can ruin promising lives. Many of these drugs are addicting. Teens who first abuse prescription drugs before age 16 also have a greater risk of drug dependence or abuse later in life.<sup>4</sup> Abuse of these drugs can interfere with your teen's ability to learn and succeed in school. Prescription drug abuse is also illegal and can have serious consequences.

Emergency Communication Services  
9-1-1 Center Operations  
Emergency Management

James V. Nickel, P.E.  
Director

## Director's Report February 3, 2009

### 1. Advanced Wireless Services (AWS) – T-Mobile

In December, T-Mobile informed us that they intend to implement AWS services in January in Chicago and several Michigan markets using our 2 GHz microwave frequencies. Sufficient calculated margin is shown to exist into our Denmark site, without considering ducting across Lake Michigan.

This is the fourth carrier to utilize these channels. MetroPCS, Cricket, and Verizon Wireless have notified us within the past six months that they intend to implement on these channels. We have requested 2009 bonding funds to replace our 27 year-old microwave system that connects our radio sites to the Communications Center.

### 2. New Communications Center Project

The project is on schedule and is going very well. We have several meetings scheduled this month to discuss the wiring of systems with vendors.

### 3. 911 Console Furniture RFP

We conducted the mandatory vendor's conference as part of the 911 console furniture RFP on December 4<sup>th</sup>. We posted answers on the purchasing web site to 40 vendor questions on December 22<sup>nd</sup> as scheduled. We received six RFP's from vendors on January 16, 2009 and we have down-selected to two vendors, Watson and Xybix, on January 30<sup>th</sup> as scheduled. Vendor presentations are the week of 2/16.

### 4. Telephone lines

We continue to work on the detailed plan with IS to change all administration and non-emergency numbers. We are awaiting the number assignment range from AT&T before assigning specific numbers. 100 lines will have to be changed or moved.

### 5. Public Safety Communications Advisory Meeting

A PSC Advisory Meeting was held on January 13<sup>th</sup> to discuss the preliminary cut-over plan to the new center with the Police and Fire stakeholders. Non-emergency lines must be answered by these agencies for at least 12 hours on the day of the telephone system cut-over.

5

**6. 800 MHz Rebanding**

The new Genesis trunking radio system management equipment has been installed and is operational in our Central Electronics Bank Room. Training and file transfers occurred as scheduled during the week of December 15<sup>th</sup>. This major system transfer went well.

The replacement portable and mobile radios are coming in and plans are in place to begin re-programming the 800 existing units. Green Bay Fire will be the first major agency to be rebanded starting Wednesday (157 units).

**7. MABAS (Mutual Aid Box Alarm System)**

We begin this mutual aid fire program on February 1. Training of all of the Communications Center staff was completed in January. We have changed the fire paging protocol to free up air time on the main county fire channel. This major change to our fire operations is going smoothly due to the extra efforts of Dave Panure and Pat Perez.

**8. Training**

Recent training for the Telecommunicators included the APCO Fire Communications Course scheduled January 5-8 and again February 9-12. APCO's Active Shooter class was held on January 27<sup>th</sup> and again on January 28<sup>th</sup>.

**9. Replacement Computer Aided Dispatching System**

We received the revised Brown County CAD System proposal and are reviewing the details with IS. We are evaluating the risks of using a portion of the County's IS blade server system compared to buying separate servers. This is part of the 2009 bonding plan, replacing the more expensive Foxcomm CAD system this year.

**10. Communications Supervisors**

The Administration has informed us that they have reclassified the Communications Supervisors to exempt status effective January 1.

**11. Highway Control Station**

We have had intermittent problems recently communicating with the County Highway Department. Our old highway control base that was found to have a bad power amplifier. The unit was manufactured in 1971 and parts are no longer available. We will replace it with a new unit.

**12. Statistics**

The attached graphs shows the telephone and incident activity for 2008. In December, 73% of the 911 calls came via cellular telephone. Calls are increasing 3% annually.

Regards,

  
Jim Nickel  
Director

	2007				2008
	Huber Facility	Juvenile Division	Main Jail	Total Net Cost	
Total Net Costs	2,499,510	982,914	8,221,856	11,704,280	12,846,456
2007 Average Number of Inmates	222.90	10.60	524.60	758.10	790.2
Average Cost per Inmate	11,214	92,728	15,673	15,439	16,257.22
Number of days	365	365	365	365	365
Avg. Cost per Inmate per Day	\$ 30.72	\$ 254.05	\$ 42.94	\$ 42.30	44.54

Above is Operating Cost only and does not include factors for new jail construction amortization/depreciation or bond interest costs.

If those are included the costs are as follows:

Avg. Operating Cost per Inmate	\$ 30.72	\$ 254.05	\$ 42.94	\$ 42.30	44.54
Financing (interest) cost 20 years				\$ 3.16	3.16
Principle amort./depreciation *				\$ 5.84	5.84
Grand total (operating, financing and principle)				\$ 51.30	53.54

\* not realistic because it is based on only a 20 year building life and assumes the building has a value of zero after 20 years. For this reason it is uncertain whether it should be included.

**PROCEEDINGS OF THE BROWN COUNTY  
CRIMINAL JUSTICE COORDINATING BOARD**

Pursuant to Section 19.84 Wis. Stats., a regular and budget meeting of the **Brown County Criminal Justice Coordinating Board** was held on Tuesday, January 27, 2009, in the Truttman Room of the Public Safety Building— 300 East Walnut Street, Green Bay, Wisconsin

---

**Present:** Judge Kendall Kelley, Jeffrey Cano, Dennis Kocken, Jed Neuman, John Zakowski, Andy Williams, Jayme Sellen, Mark Quam,

**Excused:** Supervisor Pat Evans, Jack Jadin, Don Hein

**Citizen Reps:** Dr. Gerald Wellens, Jeffrey Jazgar

**Also Present:** News media

---

1. **Call Meeting to Order:**  
The meeting was called to order by Chairman Judge Kendall Kelley at 3:36 p.m.

2. **Approve/Modify Agenda:**

Motion made by Supervisor Williams and seconded by J. Neuman to approve. Vote taken. **MOTION APPROVED UNANIMOUSLY.**

3. **Approve/Modify Minutes of January 6, 2009:**

Motion made by G. Wellens and seconded by J. Sellen to approve. Vote taken. **MOTION APPROVED UNANIMOUSLY.**

4. **Mission Statement/Statement of Purpose:**

Judge Kelley provided a handout re: Brown County Criminal Justice Coordinating Board Statement of Purpose (attached) and stated at the last meeting there had been discussions in regards to using the Racine mission statement and adapting it to Brown County. He noted that he had made some changes but assumed as a committee they may want to make a few more.

A brief discussion ensued regarding changes to the handout and it was decided that a few of the committee members would meet before the next meeting to make changes to express more clearly the statement of purpose. The next step would be to propose it to the County Executive for changes and then to the County Board for approval.

**Consensus of those present was to approve.**

**5. Identify CJCB Members and Identify Key Objectives of the CJCB:**

Questions arose in regards to memberships and filling vacancies in the membership of the Criminal Justice Coordinating Board (CJCB). J. Sellen stated that she had spoken with County Executive Hinz and he was willing to fill the vacancies as he is currently working on getting names. Sellen and Sheriff Kocken had discussed the possibilities of a member from a provider such as Family Services because of their involvement in the community but were also open to any suggestions.

Judge Kelley stated that the new members would be identified as Citizen Reps and from his perspective he agreed that it may be time to look at the membership and make sure it appropriately represents everything that needs to be addressed with the committee. If they were going to change the mission, it would be the time to also review the membership.

Supervisor Williams believed there is really good representation of the agencies and the people who are responsible for different aspects of County government and how the county works. He felt they were missing the aspects of a non-governmental organization. Kelley stated his only concern would be offending organizations that have been omitted from participating and are active in the community. He suggested putting this on as a topic for next months meeting and having everyone bring in recommendations to fill the two Citizen Rep vacancies.

J. Jazgar pointed out that some organizations might have a financial stake in some of the outcomes of the committee. Judge Kelley believed it was a good observation and recommended it be taken into consideration when bringing in proposals.

**Consensus of those present was to approve.**

**6. Review 2008 Board Activities:**

Judge Kelley suggested holding this item for the next meeting.

**Consensus was to hold to the next meeting, as they did not receive the item.**

**7. Increasing Drug Problem in Brown County:**

Judge Kelley stated they had began to discuss this issue at the last meeting and had attempted to identify the exact function that the CJCB may have in assisting the County Board. One of the starting points was to have someone come to a future meeting from the Drug Task Force. Kelley directed the conversation to Sheriff Kocken to see what his thoughts have been since last meeting.

Sheriff Kocken reported that since their last meeting the Drug Task Force reported to the full County Board and gave a presentation that he felt had been received quite well. On Friday, January 23<sup>rd</sup> in the Village of Allouez, there had been a shooting as the result of a drug buying that had gone bad. This incident was not only drug related but it was connected with other crimes. Since their discussion regarding collection of prescription and non-prescription drugs, the Sheriff's department had begun collecting drugs last week. It is off to a good

start and they have been collecting a lot more prescription drugs than non-prescription drugs then anticipated. Lastly, at the last meeting he had mentioned that heroin was on the rise in Brown County. On record in 2005 they had confiscated nine grams and in 2006 it was down to six grams. In 2007 they recorded point one gram but in the first three quarters of 2008 it was back up to three grams. A lot of the rise had to do with the availability of oxycontin which is a substitute of heroin. If oxycontin becomes less available the use of heroin goes back up.

The feedback Supervisor Williams received about the presentation from the Drug Task Force at the County Board meeting was also favorable. He stated the "exclamation mark" was that the Board was told that more of the people related to the drugs were armed and then the shooting in Allouez occurred two days later. Williams believed they should not be focusing on the numbers but how the community feels. Focusing on numbers could be read as, is the Task Force doing their job or are there more drugs coming in? The community has to be involved and they have to inform what the problems are. The safer the citizens feel in their individual neighborhoods is how it's known if the war is being won.

Sheriff Kocken agreed that the measure of success is by what the neighborhoods look like and not the quantity of drugs confiscated. He stated that some of the success stories that they have seen are the neighbors coming out after there had been an arrest at a drug house and giving a standing ovation to the Drug Task Force for removing these people from their community. What is needed is getting people to respond. Neighborhood Watch groups are encouraged as much as possible because their tips to the Drug Task Force are usually the ones taken seriously. Other tips are anonymous and can be very hard to follow-up on and often become a dead end.

Judge Kelley stated that some of the other areas that he felt would be very important for the committee to focus on would be the education and questioned what the County Board might like from the committee. Supervisor Williams answered that they want to know that there is a plan in place and how the efforts are all being coordinated. They ultimately make the decision as to what needs to be funded and this will help make it known where to put certain resources. Zakowski believed that what the County Board wanted was more information and stated that his office could provide it. He stated it would indicate where their workload is coming from and felt the CJCB is a good place to share that with other aspects of the criminal justice system. Judge Kelley suggested adding "Initial Report from the District Attorney's office re: Drug Prosecution" as an agenda item for the next meeting. He also would like feedback from the committee on programs that they have heard about that they may like to explore or recommend that are successful within this topic.

J. Jazgar questioned whether or not as a committee they were suppose to be looking at how to internalize and not externalize. He stated he was confused with the direction the board was going based upon their role because originally he felt they were trying to coordinate all the agencies to become more efficient and effective. Judge Kelley stated his perspective was being more comprehensive and is to go beyond what he views as functioning as "damage control." Sheriff Kocken stated that once the Statement of Purpose is complete,

then they will be led in the right direction.

**8. Video Audio Access to Jail Inmates:**

**Consensus was to hold to the next meeting, as they did not receive the item.**

**9. Inmate Population Report:**

**Consensus was to receive and place on file.**

**10. Such Other Matters as Authorized by Law:**

**Agenda items suggested for next Meeting:**

Review 2008 Board Activities

Recommendations to fill the two Citizen Rep vacancies

Initial Report from the District Attorney's office re: Drug Prosecution

Video Audio Access to Jail Inmates

**Next Meeting – Tuesday, February 24, 2009 – 3:30 p.m., Truttman Room**

**11. Adjourn:**

**Motion made by Supervisor Williams and seconded by J. Zakowski to adjourn at 4:31 p.m. MOTION APPROVED UNANIMOUSLY.**

Respectfully submitted,

Alicia A. Loehlein  
Recording Secretary

# **BROWN COUNTY CRIMINAL JUSTICE COORDINATING BOARD**

## **STATEMENT OF PURPOSE**

Our mission is to improve communication, cooperation, and coordination of agencies within the Brown County Criminal Justice System and with other officials of government to maximize the efficiency and effectiveness of its operation. This will include policy, program, and operational planning by identifying and analyzing current issues and then recommending solutions.

The benefits of these efforts will result in:

- Better understanding of crime and criminal justice problems
- Greater cooperation among agencies and with other units of local government
- Clearer objectives and priorities
- More effective resource allocation
- Better criminal justice system

HUMAN RESOURCES DEPARTMENT

*Brown County*

305 E. WALNUT STREET  
P.O. BOX 23600  
GREEN BAY, WI 54305-3600

DEBBIE KLARKOWSKI, PHR

PHONE (920) 448-4065 FAX (920) 448-6277 WEB: [www.co.brown.wi.us](http://www.co.brown.wi.us)

HUMAN RESOURCES MANAGER

DATE: February 13, 2009

TO: Debbie Klarkowski  
Human Resources Manager

FROM: Paula Kazik  
Human Resources Analyst

SUBJECT: Emergency Management

Human Resources received a request from Emergency Management to evaluate the Department. The current structure of the department is one (1.0 FTE) Emergency Management Director and one (.5 FTE) Office Manager I.

The .5 FTE Office Manager I position has been vacant since November 2008. The Emergency Management Director met with Human Resources to discuss the needs of the department. Currently the unmet needs of the department are:

- Attendance at meetings and exercises (Brown County Police Chief's Monthly Meetings, Packer Security Meetings);
- Representation at Emergency Management Department meetings, trainings and exercises.
- Development of local EOP and Resolutions, assuring that local municipalities have passed a resolution adopting the county plan
- Assist in ensuring the county is NIMS Compliant, failure to be compliant will result in loss of federal preparedness funding.
- Coordination of training for 1<sup>st</sup> responders to include EOC/ICS training, PIO Training and Damage Assessment Training.
- Maintenance of the Emergency Management website to ensure it is a useful tool for getting information to the community before, during and after a disaster. Countywide credentialing system.
- Assist and perform duties of Director during an emergency situation.

The administrative duties performed by the previous .5 FTE Office Manager I will be absorbed by the Public Safety Office Manager. These duties include:

- Invoicing
- Requisitions
- Purchase Orders
- Budget Tracking
- Coordination of Meetings, Agenda's, Distribution of Minutes

Based on the unmet needs of the Department, Human Resources recommends eliminating the .5 FTE Office Manager I position and adding 1.0 FTE Emergency Management Coordinator position. The Coordinator position will assist in implementing and promoting emergency management and safety activities by conducting meetings and speaking to local groups, clubs, organizations and schools, and assist or perform duties of the Director during an emergency situation. The level of duties required in this position requires a Bachelor's degree in Emergency Management, Public Administration or related field and the ability to achieve a Level 2 Wisconsin Emergency Management Certification supplemented by a minimum of three years of related experience.

The position will be placed in Grade 12 of the Administrative Class and Compensation Plan. The Emergency Management Coordinator's position will be 50% grant funded through the EPCRA Planning and Administration Grant. The EPCRA Planning and Administration Grant is an annual grant that must be applied for on an annual basis; the grant runs from September 30<sup>th</sup> to October 1<sup>st</sup>; at this time, there is a bill pending that will increase the planning fees and subsequently the grant Brown County receives.

The fiscal impact associated with the above recommendation is \$29,921.26.  
(50% GRANT FUNDED = \$14,960.53)

March 18, 2009

TO THE HONORABLE CHAIRMAN AND MEMBERS  
OF THE BROWN COUNTY BOARD OF SUPERVISORS

Ladies & Gentlemen:

EMERGENCY MANAGEMENT DEPARTMENT  
CHANGE TO TABLE OF ORGANIZATION

WHEREAS, the current structure of the department is one 1.0 FTE Emergency Management Director and one .5 FTE Office Manager I; and

WHEREAS, after a thorough review of the Emergency Management Department was completed by the Human Resources Department, the following changes to the table of organization are recommended. The .5 FTE Office Manager I position would be deleted from the table of organization and a 1.0 FTE Emergency Management Coordinator would be created. The Emergency Management Coordinator position will assist in implementing and promoting emergency management and safety activities by conducting meetings and speaking to local groups, clubs, organizations and schools, and assist or perform duties of the Director during an emergency situation; and

WHEREAS, the administrative duties performed by the previous .5 FTE Office Manager I will be absorbed by the Public Safety Office Manager; and

WHEREAS, the Human Resources Department, after conducting a thorough study of the Emergency Management Department, recommends the deletion of the (.5 FTE) Officer Manager I and the creation of a 1.0 FTE Emergency Management Coordinator; and

WHEREAS, the Emergency Management Coordinator position will be placed in Grade 12 of the Administration Classification and Compensation Plan. This position will be 50% grant funded through the EPCRA Planning and Administration Grant.

NOW, THEREFORE, BE IT RESOLVED, by the Brown County Board of Supervisors, that it hereby approves the deletion of the (.5 FTE) Office Manager I and the creation of 1.0 FTE Emergency Management Coordinator to be placed in pay grade 12 of the Administrative Compensation Plan.

**Fiscal Impact Salary and Fringe Benefits**

DIRECTOR

February 17, 2009

TO: Committees and Board of Supervisors

FROM: Lynn A. Vanden Langenberg, *[Signature]* Director of Administration

SUBJECT: 2009 Project Resolutions and Financing

The bond financing process requires two separate approvals: 1.) Initial Resolution Authorizing General Obligation Bonds 2.) approval of debt issue.

The following projects are recommended to be funded with Bonding:

Committee	Project	Amount
Administration	Administration (IS) – Infrastructure Fiber optics (additional amount) Voice over internet protocol County-wide video sound recorder Disaster recovery Library integrated software upgrade	\$ 2,160,000
Administration	Facilities – Building System Improvements Central library facility improvements Clerk of courts offices Courthouse hearing rooms	\$ 660,000
Ed & Rec	Zoo – Mayan Food Court, Ticket Booth (addition to the previous amount approved)	\$ 150,000
Planning, Transportation & Development	Highway Projects	\$ 6,645,000
Public Safety	Communications – Building (additional amount)	\$ 1,370,000
Public Safety	Communications – Upgrades CAD Radio – Phase I	\$ 1,925,000
	TOTAL	\$12,910,000

The resolution requesting approval for the 2009 projects requires the Committees and Board of Supervisors approval. Please reference pages 287 – 309 in the 2009 Proposed Budget Book for further detail descriptions for each of the 2009 projects. When referencing these pages please remember that subsequent changes have been made at the Committees and Board. These changes in the proposed budget include the additional of two IS projects (Countywide video

sound recorder \$300,000 and Disaster recovery \$350,000; the deletion of highway projects (#11 Highway D; #13 Highway M; # 20 EB reconditioning) which have been funded with additional state roads revenue. Additionally Highway #7 Highway GV is not recommended for bond financing at this time. The NEW Zoo Mayan Food Court has been bid and an additional \$150,000 (non-levy) is needed to complete this project.

Brown County's financial advisor PFM will be providing a presentation on the 2009 financing plan. The financing plan will include a strategy to maximize benefits to Brown County with the recent changes in borrowing and considers the future borrowing needs.

The financing process is a multiple step process. After the Committees and Board of Supervisors approve the project resolutions, the funding of these projects will be advertised by PFM. The actual financing will include the 2009 projects plus funding from projects approved in 2007 and 2008, but not fully financed in prior years.

The financing will be presented at the May 20<sup>th</sup> Board of Supervisors meeting for approval. Due to the lag in approval and actual receipt of funds, the resolution includes a provision to borrow from the general fund until funds are received from the sale of the bond. If the project resolutions are approved as presented, the financing will consist of the following amounts:

**BOND ISSUE:**

	<u>Approved</u>	<u>2007/2008 Financed</u>	<u>2009</u>
<u>Financing</u>			
Fiber Optics project	\$ 3,100,000	\$ 1,885,000	\$ 1,215,000 A
2009 Project Resolution			<u>\$ 12,910,000</u>
		<b>BOND FINANCING</b>	<b>\$ 14,125,000</b>

A: The Fiber Optics project is a 3 year project. The financing for this project will occur as follows:

2007	\$ 400,000
2008	\$1,485,000
2009	<u>\$1,215,000</u>
	\$3,100,000

Please contact me (448-4035) with questions you may have regarding the project resolutions or the planned financing. Thank you.

cc: Tom Hinz, County Executive

March 18, 2009

TO: THE HONORABLE CHAIRMAN AND MEMBERS OF THE BROWN  
COUNTY BOARD OF SUPERVISORS

Ladies and Gentlemen:

INITIAL RESOLUTIONS AUTHORIZING THE ISSUANCE OF NOT TO EXCEED  
\$12,910,000 CORPORATE PURPOSE GENERAL OBLIGATION BONDS OF  
BROWN COUNTY, WISCONSIN IN ONE OR MORE SERIES AT ONE OR MORE  
TIMES

Initial Resolution Authorizing  
General Obligation Bonds  
In an Amount Not to Exceed  
\$2,160,000

BE IT RESOLVED by the County Board of Supervisors of Brown County, Wisconsin, that there shall be issued, pursuant to Chapter 67, Wisconsin Statutes, General Obligation Bonds in an amount not to exceed \$2,160,000 for the purpose of paying the cost of information systems infrastructure, including an additional amount for fiber optics, voice over internet protocol infrastructure, county-wide video sound recorder system, disaster recovery and library integrated software upgrade.

BE IT FURTHER RESOLVED, by the Board of Supervisors of Brown County, Wisconsin, that change orders in excess of \$10,000 or 25% of the contract price, whichever is less, for such information systems infrastructure shall be submitted to the appropriate oversight committee of the Board of Supervisors of Brown County for prior approval.

Initial Resolution Authorizing  
General Obligation Bonds  
In an Amount Not to Exceed  
\$660,000

BE IT RESOLVED by the County Board of Supervisors of Brown County, Wisconsin, that there shall be issued, pursuant to Chapter 67, Wisconsin Statutes, General Obligation Bonds in an amount not to exceed \$660,000 for the purpose of paying the cost of building systems improvements, including central library facility improvements, clerk of courts offices and courthouse hearing rooms.

BE IT FURTHER RESOLVED, by the Board of Supervisors of Brown County, Wisconsin, that change orders in excess of \$10,000 or 25% of the contract price, whichever is less, for such building system improvements shall be submitted to the appropriate oversight committee of the Board of Supervisors of Brown County for prior approval.

Initial Resolution Authorizing  
General Obligation Bonds  
In an Amount Not to Exceed  
\$6,645,000

BE IT RESOLVED, by the County Board of Supervisors of Brown County, Wisconsin, that there shall be issued, pursuant to Chapter 67, Wisconsin Statutes, General Obligation Bonds in an amount not to exceed \$6,645,000 for the purpose of paying the cost of highway improvements including the CTH "AAA" (Oneida Street) New Bridge Structure, CTH "NN", CTH "KK", CTH "X", CTH "KB", CTH "G" (Fernando Drive), CTH "V" (East Mason Street), CTH "V" (Lime Kiln Road Reconstruction), CTH "V" (Lime Kiln Road Reconditioning), and CTH "EB" (Cardinal Lane at Woodale Avenue roundabout).

BE IT FURTHER RESOLVED, by the Board of Supervisors of Brown County, Wisconsin, that change orders in excess of \$10,000 or 25% of the contract price, whichever is less, for such construction shall be submitted to the appropriate oversight committee of the Board of Supervisors of Brown County for prior approval.

Initial Resolution Authorizing  
General Obligation Bonds  
In an Amount Not to Exceed  
\$1,370,000

BE IT RESOLVED by the County Board of Supervisors of Brown County, Wisconsin, that there shall be issued, pursuant to Chapter 67, Wisconsin Statutes, General Obligation Bonds in an amount not to exceed \$1,370,000 for the purpose of paying the costs of constructing and equipping the public safety building, which are in addition to the amount previously authorized.

BE IT FURTHER RESOLVED, by the Board of Supervisors of Brown County, Wisconsin, that change orders in excess of \$10,000 or 25% of the contract price, whichever is less, for such construction shall be submitted to the appropriate oversight committee of the Board of Supervisors of Brown County for prior approval.

Initial Resolution Authorizing  
General Obligation Bonds  
In an Amount Not to Exceed  
\$1,925,000

BE IT RESOLVED by the County Board of Supervisors of Brown County, Wisconsin, that there shall be issued, pursuant to Chapter 67, Wisconsin Statutes, General Obligation Bonds in an amount not to exceed \$1,925,000 for the purpose of paying the costs of upgrading the emergency communications (911) system, including CAD upgrade and Radio – Phase I.

Initial Resolution Authorizing  
General Obligation Bonds  
In an Amount Not to Exceed  
\$150,000

BE IT RESOLVED by the County Board of Supervisors of Brown County, Wisconsin, that there shall be issued, pursuant to Chapter 67, Wisconsin Statutes, General Obligation Bonds in an amount not to exceed \$150,000 for the purpose of paying the cost of a constructing a Mayan Food Court and ticket booth at the County Zoo, which is in addition to the amount previously authorized.

BE IT FURTHER RESOLVED, by the Board of Supervisors of Brown County, Wisconsin, that change orders in excess of \$10,000 or 25% of the contract price, whichever is less, for such construction shall be submitted to the appropriate oversight committee of the Board of Supervisors of Brown County for prior approval.

Reimbursement Resolution

BE IT RESOLVED by the County Board of Supervisors of Brown County, Wisconsin, that the County shall make expenditures as needed from its funds on hand to pay the costs of the above-approved projects until bond proceeds which may be issued in the maximum principal amounts for each of such projects become available. The County hereby officially declares its intent under Treasury Regulation Section 1.150-2 to reimburse said expenditures with proceeds of the bonds.

## GRANT APPLICATION REVIEW

Date: January 21, 2009 Grant # (if applicable): N/A

Grant Title: FY 2009 EOC Grant Program

Granting Agency: US Department of Homeland Security

Grant Period: June 1, 2009 to February 1, 2010

Brief Description of Activities/Items Proposed Under Grant:

The funds will be used to equip the new EOC. This one time grant will allow Brown County the opportunity to have an up to date facility. The items requested are standard equipment that most Emergency Operations Center have in the area already. A project will be overseen by the Emergency Management Director. All purchasing and tracking of equipment will also be tasked to the Emergency Management office.

→ computer equip., furniture, etc.

\$ Amount of Grant (in each year): \$90,000 Term of Grant: 1-year

Is this a new grant or a continuation of an existing grant? ☒ New ☐ Continuation

If a continuation, how long have we received the grant? \_\_\_\_\_

Are the activities funded under the grant consistent with Executive/Board priorities and intent? ☒ Yes ☐ No

Are the activities proposed under the grant mandated or statutorily required? ☐ Yes ☒ No

Will the grant fund new or existing positions? ☐ Yes ☒ No If yes, explain (Note: grant-funded positions are limited-term staff): \_\_\_\_\_

Are matching resources required? ☒ Yes ☐ No If so, what is the amount of the match and how will the requirement be met? There is a 25% program match that will be met with a combination of in-kind donations and levy dollars

Explain any ongoing cost to be assumed by the County (i.e., maintenance costs, software licenses, etc.):  
None

Explain any maintenance of efforts once the grant ends: \_\_\_\_\_  
None

TO THE HONORABLE CHAIRMAN AND MEMBERS  
OF THE BROWN COUNTY BOARD OF SUPERVISORS

Ladies and Gentlemen:

**RESOLUTION REGARDING CHANGE IN SHERIFF'S DEPARTMENT  
TABLE OF ORGANIZATION – ADD ONE OFFICER POSITION FOR VILLAGE OF  
SUAMICO**

WHEREAS, the Brown County Sheriff's Department provides primary law enforcement services for the Village of Suamico through a police services agreement; and

WHEREAS, the Village of Suamico has allocated \$56,500 for the purpose of hiring another officer to be dedicated specifically to law enforcement services in the Village of Suamico with no replacement factor; and

WHEREAS, consistent with existing police services contracts, the Brown County Sheriff is willing to provide an officer to the Village of Suamico with the officer starting the pay period beginning May 3<sup>rd</sup>, 2009 and continuing through the end of the year for the \$56,500 amount; and

WHEREAS, the Brown County Sheriff's Department does not have a position in the current table of organization that can fill this request;

NOW, THEREFORE, BE IT RESOLVED by the Brown County Board of Supervisors that the Sheriff's Department 2009 table of organization will be increased by one Deputy Sheriff position in order to provide an additional officer for the Village of Suamico.

BE IT FURTHER RESOLVED, that the County's 2009 budget will be adjusted by a budget transfer to increase wages and fringes for the position added and offset by an increase in contracted police services to fund the contracted officers from the Village of Suamico..

Respectfully submitted,

PUBLIC SAFETY COMMITTEE

February 11, 2009

Public Safety Committee  
Brown County Board of Supervisors

RE: Amendment to Mandatory Seatbelt Ordinance to Increase Forfeiture Amount

Dear Committee Members:

Sheriff Kocken relayed the Committee's request Corporation Counsel research an amendment to the mandatory seatbelt ordinance to increase the forfeiture from \$10.00 to \$100.00. After researching the question, I have concluded the County does not have authority to increase the forfeiture for an adult seatbelt violation above \$10.00.

Chapter 349 of the Motor Vehicle Code sets out the respective powers of the State and local authorities to regulate motor vehicle traffic. Sec. 349.06(1)(a) Stats. states local authorities (county boards) may enact and enforce any traffic regulation which is in strict conformity with one or more provisions of the Motor Vehicle Code including Chapter 347 "Equipment of Vehicles".

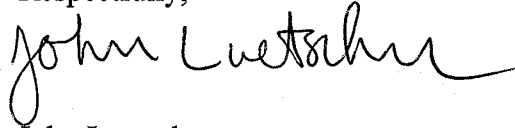

Secs. 347.48 & 347.50 Stats. contain the mandatory seatbelt requirement and the penalty structure including a mandatory forfeiture amount of \$10.00 for an adult driver or passenger violation. Brown County has wholly adopted all non-criminal traffic regulations contained in Chapters 340 thru 348 of the Motor Vehicle Code pursuant to its authority set out in Sec. 349.06(1)(a) Stats. The ultimate question is whether or not an amendment to the ordinance from a \$10.00 forfeiture to a \$100.00 forfeiture would violate the strict conformity requirement. The answer is it would violate this limit placed on the County's authority. The Wisconsin Supreme Court has interpreted this "strict conformity" language on several occasions including in *City of Madison v McManus*. In *McManus*, the court held the strict conformity requirement of sec. 349.06(1)(a) Stats. applies to the forfeiture portion of an ordinance and prohibits a forfeiture amount greater than the forfeiture authorized by state statute. If the County increased the mandatory forfeiture to \$100.00 for an adult seatbelt violation then the forfeiture would be void beyond \$10.00. Accordingly, I have not drafted an amendment to the mandatory seatbelt ordinance.

As an aside, it is worth noting why the total cost of a citation for an adult seatbelt violation is only \$10.00. Most citations for motor vehicle equipment violations involve modest forfeitures and court costs. The court costs are usually far greater than the forfeiture itself. For example, the standard forfeiture on a defective muffler citation is \$30.00 and the court costs are \$130.80 for a total of \$160.80. The various state statutes authorizing these court costs specifically prohibit the taxation of costs for an adult seatbelt violation, statute or ordinance. A citation for an adult seatbelt violation cannot include court costs.

(Public Safety Committee Letter)

I am sorry I cannot be of more assistance to the Committee

Respectfully,

**DESCRIPTION AND JUSTIFICATION** (attach additional sheets as needed). In narrative form describe the requested transfer to include amount, account to transfer from, account to transfer to, and the effect on revenue and expense.

2009  
This budget transfer increases both revenues and expenditures to reflect participation in a Homeland Security grant passed through the Wisconsin Office of Justice Assistance. The grant provides \$56,465 with no local match requirement for the purpose of upgrading EOD robotic wireless equipment for the regional bomb squad. Note: this was previously addressed in budget transfers 08-62 and 08-76 in 2008 but delays in manufacturing have pushed this project into 2009.

Increase: 10-7401-432100	Federal Grants	\$56,465
Increase: 10-7401-509010	Outlay	\$56,465

Indicate if you wish to make a presentation to the Management Team regarding the requested transfer (check one): ☐ Yes ☒ No

**DESCRIPTION AND JUSTIFICATION** (attach additional sheets as needed). In narrative form describe the requested transfer to include amount, account to transfer from, account to transfer to, and the effect on revenue and expense.

2009  
This is a request to increase grant revenue and expenditures to participate in a second round of state funding of digital recording equipment for interrogation rooms to comply with Wisconsin Act 60 requirements for recording certain interviews in a digital format. Funding would permit the purchase of three more units to be located in the Jail Work Release area and in two of the police services contract municipalities.

## GRANT APPLICATION REVIEW

Date: 02-06-09 Grant # (if applicable): \_\_\_\_\_

Grant Title: ZERO IN WISCONSIN

Granting Agency: WI DOT BUREAU OF TRANSPORTATION SAFETY

Grant Period: JAN. 2009 to SEP 2009

Brief Description of Activities/Items Proposed Under Grant:

FUNDS ADDITIONAL PATROL HOURS TARGETING SPEEDING, DWI & SEAT BELT ENFORCEMENT.

\$ Amount of Grant (in each year): \$25,000. Term of Grant: 9 MONTHS

Is this a new grant or a continuation of an existing grant? ☒ New ☐ Continuation

If a continuation, how long have we received the grant? N/A

Are the activities funded under the grant consistent with Executive/Board priorities and intent? ☒ Yes ☐ No

Are the activities proposed under the grant mandated or statutorily required? ☒ Yes ☐ No

Will the grant fund new or existing positions? ☐ Yes ☒ No If yes, explain (Note: grant-funded positions are limited-term staff): FUNDS ADDITIONAL PATROL HOURS, TARGETED TO TRAFFIC ENFORCEMENT, W/ EXISTING STAFF.

Are matching resources required? ☒ Yes ☐ No If so, what is the amount of the match and how will the requirement be met? 25% MATCH MET BY CURRENT TRAFFIC ENFORCEMENT TEAM. (AS PART OF THEIR ASSIGNED DUTY.)

Explain any ongoing cost to be assumed by the County (i.e., maintenance costs, software licenses, etc.):

NONE.

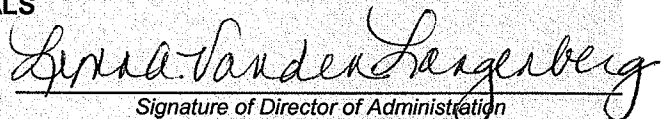

Explain any maintenance of efforts once the grant ends: POST GRANT AUDIT BY BOTS.
